ARTICLE II SERVICES/OBLIGATIONS

2.1 Member Identification. [REDACTED] shall ensure that [REDACTED] provides a means of identifying Member either by issuing a paper, plastic, electronic, or other identification document to Member or by a telephonic, paper or electronic communication to Provider. This identification need not include all information necessary to determine Member's eligibility at the time a Health Service is rendered, but shall include information necessary to contact [REDACTED] to determine Member's participation in the applicable Health Benefit Plan. Provider acknowledges and agrees that possession of such identification document or ability to access eligibility information telephonically or electronically, in and of itself, does not qualify the holder thereof as a Member, nor does the lack thereof mean that the person is not a Member.

2.2 Provider Non-discrimination. Provider shall provide Health Services to Members in a manner similar to and within the same time availability in which Provider provides Health Services to any other individual. Provider will not differentiate, or discriminate against any Member as a result of his/her enrollment in a Health Benefit Plan, or because of race, color, creed, national origin, ancestry, religion, sex, marital status, age, disability, payment source, state of health, need for Health Services, status as a litigant, status as a Medicare or

Medicaid beneficiary, sexual orientation, gender identity, or any other basis prohibited by law. Provider shall not be required to provide any type, or kind of Health Service to Members that he/she/it does not customarily provide to others. Additional requirements may be set forth in the applicable Participation Attachment(s).

- 2.3 Publication and Use of Provider Information. Provider agrees that [REDACTED] its Affiliates, or designees may use, publish, disclose, and display, for commercially reasonable general business purposes, either directly or through a third party, information related to Provider, including but not limited to demographic information, information regarding credentialing, affiliations, performance data, and information related to Provider for transparency initiatives except for information protected by federal and state confidentiality laws.
- 2.4 Use of Symbols and Marks. Neither party to this Agreement shall publish, copy, reproduce, or use in any way the other party's symbols, service mark(s) or trademark(s) without the prior written consent of such other party. Notwithstanding the foregoing, the parties agree that they may identify Provider as a participant in the Network(s) in which he/she/it participates.
- 2.5 Submission and Adjudication of Claims. Provider shall submit, and [REDACTED] shall adjudicate, Claims in accordance with the applicable Participation Attachment(s), the ACS, the provider manual(s) and Regulatory Requirements. If Provider submits Claims prior to receiving notice of [REDACTED] approval pursuant to section 2.13, then such Claims must be submitted in accordance with prior authorization requirements, and shall be processed as out of network. [REDACTED] shall not make retroactive adjustments with respect to such Claims.
- 2.6 Payment in Full and Hold Harmless.
- 2.6.1 Provider agrees to accept as payment in full, in all circumstances, the applicable [REDACTED] Rate whether such payment is in the form of a Cost Share, a payment by [REDACTED] or a payment by another source, such as through coordination of benefits or subrogation. Provider shall bill, collect, and accept compensation for Cost Shares. Provider agrees to make reasonable efforts to verify Cost Shares prior to billing for such Cost Shares. In no event shall [REDACTED] be obligated to pay Provider or any person acting on behalf of Provider for services that are not Covered Services, or any amounts in excess of the [REDACTED] Rate less Cost Shares or payment by another source, as set forth above. Consistent with the foregoing, Provider agrees to accept the [REDACTED] Rate as payment in full if the Member has not yet satisfied his/her deductible.
- 2.6.2 Except as expressly permitted under Regulatory Requirements, Provider agrees that in no event, including but not limited to, nonpayment by [REDACTED] insolvency of [REDACTED] breach of this Agreement, or Claim payment denials or adjustment requests or recoupments based on miscoding or other billing errors of any type, whether or not fraudulent or abusive, shall Provider, or any person acting on behalf of Provider, bill, charge, collect a deposit from, seek compensation from, or have any other recourse against a Member, or a person legally acting on the Member's behalf, for Covered Services provided pursuant to this Agreement. Notwithstanding the foregoing, Provider may collect reimbursement from the Member for the following:
- 2.6.2.1 Cost Shares, if applicable;
- 2.6.2.2 Health Services that are not Covered Services. However, Provider may seek payment for a Health Service that is not Medically Necessary or is experimental/investigational only if Provider obtains a written waiver that meets the following criteria:
- a) The waiver notifies the Member that the Health Service is likely to be deemed not Medically Necessary, or experimental/investigational;
 - b) The waiver notifies the Member of the Health Service being provided and the date(s) of service;
 - c) The waiver notifies the Member of the approximate cost of the Health Service;
 - d) The waiver is signed by the Member, or a person legally acting on the Member's behalf, prior to receipt of the Health Service.

- 2.7 Recoupment/Offset/Adjustment for Overpayments. [REDACTED] shall be entitled to offset and recoup an amount equal to any overpayments or improper payments made by [REDACTED] to Provider against any payments due and payable by [REDACTED] to Provider with respect to any Health Benefit Plan under this Agreement. Provider shall voluntarily refund all duplicate or erroneous Claim payments regardless of the cause, including, but not limited to, payments for Claims where the Claim was miscoded, non-compliant with industry standards, or otherwise billed in error, whether or not the billing error was fraudulent, abusive or wasteful. Upon determination by [REDACTED] that any recoupment, improper payment, or overpayment is due from Provider, Provider must refund the amount to [REDACTED] within thirty (30) days of when [REDACTED] notifies Provider. If such reimbursement is not received by [REDACTED] within the thirty (30) days following the date of such notice, [REDACTED] shall be entitled to offset such overpayment against any Claims payments due and payable by [REDACTED] to Provider under any Health Benefit Plan in accordance with Regulatory Requirements. In such event, Provider agrees that all future Claim payments applied to satisfy Provider's repayment obligation shall be deemed to have been paid in full for all purposes, including section 2.6.1. Should Provider disagree with any determination by [REDACTED] that Provider has received an overpayment, Provider shall have the right to appeal such determination under [REDACTED] procedures set forth in the provider manual, and such appeal shall not suspend [REDACTED] right to recoup the overpayment amount during the appeal process unless suspension of the right to recoup is otherwise required by Regulatory Requirements. [REDACTED] reserves the right to employ a third party collection agency in the event of non-payment.
- 2.8 Use of Subcontractors. Provider and [REDACTED] may fulfill some of their duties under this Agreement through subcontractors. For purposes of this provision, subcontractors shall include, but are not limited to, vendors and non-Participating Providers that provide supplies, equipment, staffing, and other services to Members at the request of, under the supervision of, and/or at the place of business of Provider. Provider shall provide [REDACTED] with thirty (30) days prior notice and obtain written approval from [REDACTED] of any Health Services subcontractors with which Provider may contract to perform Provider's duties and obligations under this Agreement. Failure by the provider to obtain [REDACTED] written approval may lead to the contract being declared null and void by [REDACTED]. Claims submitted by the subcontractor or by the provider for services furnished by the unapproved subcontractor are considered to be improper payments and may be considered false claims. Any such improper payments may be subject to action under Federal and State false claims statutes or be subject to be recouped by [REDACTED] and/or [REDACTED] as overpayment. Provider shall remain responsible to [REDACTED] for the compliance of his/her/its subcontractors with the terms and conditions of this Agreement as applicable, including, but not limited to, the Payment in Full and Hold Harmless provisions herein.
- 2.9 Compliance with Provider Manual(s) and Policies, Programs and Procedures. [REDACTED] or its designees may modify the provider manual(s) and its Policies by providing at least thirty (30) days notice to Provider in advance of the effective date of modifications thereto.
- 2.10 Referral Incentives/Kickbacks. Provider represents and warrants that Provider does not give, provide, condone or receive any incentives or kickbacks, monetary or otherwise, in exchange for the referral of a Member, and if a Claim for payment is attributable to an instance in which Provider provided or received an incentive or kickback in exchange for the referral, such Claim shall not be payable and, if paid in error, shall be refunded to [REDACTED].
- 2.11 Networks and Provider Panels. Provider shall be eligible to participate only in those Networks designated on the Provider Networks Attachment of this Agreement. Provider shall not be recognized as a Participating Provider in such Networks until the later of: 1) the Effective Date of this Agreement or; 2) as determined by [REDACTED] in its sole discretion, the date Provider has met [REDACTED] applicable credentialing requirements and accreditation requirements. Provider acknowledges that [REDACTED] may develop, discontinue, or modify new or existing Networks, products and/or programs. In addition to those Networks designated on the Provider Networks Attachment, [REDACTED] may also identify Provider as a Participating Provider in additional Networks, products and/or programs designated in writing from time to time by [REDACTED]. Notwithstanding any other provision in this Agreement, if Provider provides a Health Service to a Member for which Provider is not a designated Participating Provider in a Health Services Designated Network, then Provider agrees that he/she/it shall not be reimbursed for such services by [REDACTED] or the Member, unless Provider was authorized to provide such Health Service by [REDACTED]

- 6.2 Limitation of Liability. Regardless of whether there is a total and fundamental breach of this Agreement or whether any remedy provided in this Agreement fails of its essential purpose, in no event shall either of the parties hereto be liable for any amounts representing loss of revenues, loss of profits, loss of business, the multiple portion of any multiplied damage award, or incidental, indirect, consequential, special or punitive damages, whether arising in contract, tort (including negligence), or otherwise regardless of whether the parties have been advised of the possibility of such damages, arising in any way out of or relating to this Agreement. Further, in no event shall [REDACTED] or its Affiliates be liable to Provider for any extracontractual damages relating to any claim or cause of action assigned to Provider by any person or entity.

If the total amount in dispute as set forth in the demand letter is less than two hundred thousand dollars (\$200,000), exclusive of interest, costs, and attorneys' fees, then within twenty (20) days following the date on which the receiving party receives the demand letter, representatives of each party's choosing shall meet to discuss the dispute in person or telephonically in an effort to resolve the dispute. If the total amount in dispute as set forth in the demand letter is two hundred thousand dollars (\$200,000) or more, exclusive of interest, costs, and attorneys' fees, then within ninety (90) days following the date of the demand letter, the parties shall engage in non-binding mediation in an effort to resolve the dispute unless both parties agree in writing to waive the mediation requirement. The parties shall mutually agree upon a mediator, and failing to do so, Judicial Arbitration and Mediation Services ("JAMS") shall be authorized to appoint a mediator.

- 7.2 Arbitration. Any dispute within the scope of subsection 7.1.1 that remains unresolved at the conclusion of the applicable process outlined in subsection 7.1.1 shall be resolved by binding arbitration in the manner as set forth below. Except to the extent as set forth below, the arbitration shall be conducted pursuant to the JAMS Comprehensive Arbitration Rules and Procedures, provided, however, that the parties may agree in writing to further modify the JAMS Comprehensive Arbitration Rules and Procedures. The parties agree to be bound by the findings of the arbitrator(s) with respect to such dispute, subject to the right of the parties to appeal such findings as set forth herein. No arbitration demand shall be filed until after the parties have completed the dispute resolution efforts described in section 7.1 above. If the dispute resolution efforts described in section 7.1 cannot be completed within the deadlines specified for such efforts despite the parties' good faith efforts to meet such deadlines, such deadlines may be extended as necessary upon mutual agreement of the parties. Enforcement of this arbitration clause, including the waiver of class actions, shall be determined under the Federal Arbitration Act ("FAA"), including the FAA's preemptive effect on state law. The parties agree that the arbitration shall be conducted on a confidential basis pursuant to Rule 26 of the JAMS Comprehensive Arbitration Rules and Procedures. Subject to any disclosures that may be required or requested under Regulatory Requirements, the parties further agree that they shall maintain the confidential nature of the arbitration, including without limitation, the existence of the arbitration, information exchanged during the arbitration, and the award of the arbitrator(s). Nothing in this provision, however, shall preclude either party from disclosing any such details regarding the arbitration to its accountants, auditors, brokers, insurers, reinsurers or retrocessionaires.

- 7.2.1 Location of Arbitration. The arbitration hearing shall be held in the county and state where [REDACTED] is located. Notwithstanding the foregoing, both parties can agree in writing to hold the arbitration hearing in some other location.
- 7.2.2 Selection and Replacement of Arbitrator(s). If the total amount in dispute is less than four million dollars (\$4,000,000), exclusive of interest, costs, and attorneys' fees, the dispute shall be decided by a single arbitrator selected, and replaced when required, in the manner described in the JAMS Comprehensive Arbitration Rules and Procedures. If the total amount in dispute is four million dollars (\$4,000,000) or more, exclusive of interest, costs, and attorneys' fees, the dispute shall be decided by an arbitration panel consisting of three (3) arbitrators, unless the parties agree in writing that the dispute shall be decided by a single arbitrator.
- 7.2.3 Appeal. If the total amount of the arbitration award is five million dollars (\$5,000,000) or more, inclusive of interest, costs, and attorneys' fees, or if the arbitrator(s) issues an injunction against a party, the parties shall have the right to appeal the decision of the arbitrator(s) pursuant to the JAMS Optional Arbitration Appeal Procedure. A decision that has been appealed shall not be enforceable while the appeal is pending. In reviewing a decision of the arbitrator(s), the appeal panel shall apply the same standard of review that a United States Court of Appeals would apply in reviewing a similar decision issued by a United States District Court in the jurisdiction in which the arbitration hearing was held.
- 7.2.4 Waiver of Certain Claims. The parties, on behalf of themselves and those that they may now or hereafter represent, each agree to and do hereby waive any right to join or consolidate claims in arbitration by or against other individuals or entities or to pursue, on a class basis, any dispute; provided however, if there is a dispute regarding the applicability or enforcement of the waiver provision in this subsection 7.2.4, that dispute shall be decided by a court of competent jurisdiction. If a court of competent jurisdiction determines that such waiver is unenforceable for any reason with respect to a particular dispute, then the parties agree that section 7.2 shall not apply to such dispute and that such dispute shall be decided instead in a court of competent jurisdiction.
- 7.2.5 Limitations on Injunctive Relief. The parties, on behalf of themselves and those that they may now or hereafter represent, each agree that any injunctive relief sought against the other party shall be limited to the conduct relevant to the parties to the arbitration and shall not be sought for the benefit of individuals or entities who are not parties to the arbitration. The arbitrator(s) are not authorized to issue injunctive relief for the benefit of an individual or entity who is not a party to the arbitration. The arbitrator shall be limited to issuing injunctive relief related to the specific issues in the arbitration.
- 7.3 Attorney's Fees and Costs. The shared fees and costs of the non-binding mediation and arbitration (e.g. fee of the mediator, fee of the independent arbitrator) will be shared equally between the parties. Each party shall be responsible for the payment of its own specific fees and costs (e.g. the party's own attorney's fees, the fees of the party selected arbitrator, etc.) and any costs associated with conducting the non-binding mediation or arbitration that the party chooses to incur (e.g. expert witness fees, depositions, etc.). Notwithstanding this provision, the arbitrator may issue an order in accordance with Federal Rule of Civil Procedure Rule 11.

ARTICLE VIII TERM AND TERMINATION

- 8.1 Term of Agreement. This Agreement shall commence at 12:01 AM on the Effective Date for a term of one (1) year, and shall continue automatically in effect thereafter for consecutive one (1) year terms unless otherwise terminated as provided herein.
- 8.2 Termination Without Cause. Either party may terminate this Agreement without cause at any time by giving at least one hundred eighty (180) days prior written notice of termination to the other party. Notwithstanding the foregoing, should a Participation Attachment(s) contain a longer without cause termination period, the Agreement shall continue in effect only for such applicable Participation Attachment(s) until the termination without cause notice period in the applicable Participation Attachment(s) ends.
- 8.3 Breach of Agreement. Except for circumstances giving rise to the Immediate Termination section, if either party fails to comply with or perform when due any material term or condition of this Agreement, the other party shall notify the breaching party of its breach in writing stating the specific nature of the material breach,

and the breaching party shall have thirty (30) days to cure the breach. If the breach is not cured to the reasonable satisfaction of the non-breaching party within said thirty (30) day period, the non-breaching party may terminate this Agreement by providing written notice of such termination to the other party. The effective date of such termination shall be no sooner than sixty (60) days after such notice of termination.

8.4 Immediate Termination.

8.4.1 This Agreement or any Participation Attachment(s) may be terminated immediately by [REDACTED] if:

8.5 Partial Termination of Participating Providers. [REDACTED] shall be entitled to terminate this Agreement as it applies to one or a number of Participating Providers under the terms of this Article VIII, without terminating the Agreement in its entirety, and in such case, the Agreement shall continue in full force and effect in

connection with Provider and/or any and all Participating Providers as to which the Agreement has not been terminated. Notwithstanding the foregoing, [REDACTED] reserves the right to terminate Participating Provider(s) from any or all Network(s) under the terms of this Article VIII while continuing the Agreement for the remaining Participating Provider(s).

Any assignment by Provider without such prior consent shall be voidable at the sole discretion of [REDACTED]. [REDACTED] may assign this Agreement in whole or in part. - 9.4 Definitions. Unless otherwise specifically noted, the definitions as set forth in Article I of this Agreement will have the same meaning when used in any attachment, the provider manual(s) and Policies.
- 9.5 Entire Agreement. This Agreement, exhibits, attachments, appendices, and amendments hereto, and the provider manual(s), together with any items incorporated herein by reference, constitute the entire understanding between the parties and supersedes all prior oral or written agreements between them with respect to the matters provided for herein. This Agreement incorporates by reference all Regulatory Requirements, [REDACTED] rules and regulations, consent decrees or court orders, as applicable to the services under this Agreement and revisions of such laws, regulations, consent decrees or court orders, as

applicable to the services under this Agreement shall automatically be incorporated into this Agreement, as they become effective. In addition, if there is an inconsistency between the terms of this Agreement and the terms provided in any exhibits, attachments, appendices, or amendments to this Agreement, then the terms provided in the applicable Participation Attachment shall govern.

- 9.6 **Force Majeure.** Neither party shall be deemed to be in violation of this Agreement if such party is prevented from performing any of his/her/its obligations hereunder due to natural or man-made disasters, including fire, flood, earthquake, terrorism, or any similar unforeseeable act beyond its reasonable control, acts of any public enemy, statutory or other laws, regulations, rules, orders, or actions of the federal, state, or local government or any agency thereof.
- 9.7 **Compliance with Regulatory Requirements.** [REDACTED] and Provider agree to comply with all applicable Regulatory Requirements, as amended from time to time, relating to their obligations under this Agreement, and maintain in effect all permits, licenses and governmental and board authorizations and approvals as necessary for business operations. Provider warrants that as of the Effective Date, he/she/it is and shall remain licensed and certified for the term of this Agreement in accordance with all Regulatory Requirements (including those applicable to utilization review and Claims payment) relating to the provision of Health Services to Members. Provider shall supply evidence of such licensure, compliance and certifications to [REDACTED] upon request. If there is a conflict between this section and any other provision in this Agreement, then this section shall control.
- 9.7.1 In addition to the foregoing, Provider warrants and represents that at the time of entering into this Agreement, neither he/she/it nor any of his/her/its employees, contractors, subcontractors, principals or agents are ineligible, excluded, suspended, terminated or debarred from participating in a Medicaid, Medicare, and/or SCHIP Program ("Ineligible Person") pursuant to Sections 1128 or 1156 of the Social Security Act and 42 CFR 455.101. Provider shall remain continuously responsible for ensuring that his/her/its employees, contractors, subcontractors, principals or agents are not Ineligible Persons. If Provider or any employees, subcontractors, principals or agents thereof becomes an Ineligible Person after entering into this Agreement or otherwise fails to disclose his/her/its Ineligible Person status, Provider shall have an obligation to (1) immediately notify [REDACTED] of such Ineligible Person status and (2) within ten (10) days of such notice, remove such individual from responsibility for, or involvement with, Provider's business operations related to this Agreement.

However, coverage issues specific to a Health Benefit Plan are governed by the state laws where the Health Benefit Plan is issued, unless such state laws are otherwise preempted by federal law.
- 9.9 **Intent of the Parties.** It is the intent of the parties that this Agreement is to be effective only in regards to their rights and obligations with respect to each other; it is expressly not the intent of the parties to create any independent rights in any third party or to make any third party a third party beneficiary of this Agreement, except to the extent specified in the Payment in Full and Hold Harmless section of this Agreement, or in a Participation Attachment(s).
- 9.10 **Non-Exclusive Participation.** None of the provisions of this Agreement shall prevent Provider or [REDACTED] from participating in or contracting with any provider, preferred provider organization, health maintenance organization/health insuring corporation, or any other health delivery or insurance program. Provider acknowledges that [REDACTED] does not warrant or guarantee that Provider will be utilized by any particular number of Members.
- 9.11 **Notice.** Any notice required to be given pursuant to the terms and provisions of this Agreement shall be in writing and shall be delivered by hand, facsimile, electronic mail, or mail. Notice shall be deemed to be effective: (a) when delivered by hand, (b) upon transmittal when transmitted by facsimile transmission or by electronic mail, (c) upon receipt by registered or certified mail, postage prepaid, (d) on the next business day if transmitted by national overnight courier, or (e) if sent by regular mail, five (5) days from the date set forth on the correspondence. Unless specified otherwise in writing by a party, [REDACTED] shall send Provider notice to an address that [REDACTED] has on file for Provider, and Provider shall send [REDACTED] notice to [REDACTED] address as set forth in the provider manual(s). Notwithstanding the foregoing, and unless otherwise required by Regulatory Requirements, [REDACTED] may post updates to its provider manual(s) and Policies on its web site.

- 9.12 Severability. In case any one or more of the provisions of this Agreement shall be invalid, illegal, or unenforceable in any respect, the remaining provisions shall be construed liberally in order to effectuate the purposes hereof, and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. If one or more provisions of the Agreement are invalid, illegal or unenforceable and an amendment to the Agreement is necessary to maintain its integrity, the parties shall make commercially reasonable efforts to negotiate an amendment to this Agreement and any attachments or addenda to this Agreement which could reasonably be construed not to contravene such statute, regulation, or interpretation. In addition, if such invalid, unenforceable or materially affected provision(s) may be severed from this Agreement and/or attachments or addenda to this Agreement without materially affecting the parties' intent when this Agreement was executed, then such provision(s) shall be severed rather than terminating the Agreement or any attachments or addenda to this Agreement.
- 9.13 Waiver. Neither the waiver by either of the parties of a breach of any of the provisions of this Agreement, nor the failure of either of the parties, on one or more occasion, to enforce any of the provisions of this Agreement, shall thereafter be construed as a waiver of any subsequent breach of any of the provisions of this Agreement.
- 9.14 Construction. This Agreement shall be construed without regard to any presumption or other rule requiring construction against the party causing this Agreement to be drafted.
- 9.15 Counterparts and Electronic Signatures.
- 9.15.1 This Agreement and any amendment hereto may be executed in two (2) or more counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
- 9.15.2 Either party may execute this Agreement or any amendments by valid electronic signature, and such signature shall have the same legal effect of a signed original.

Each party warrants that it has full power and authority to enter into this Agreement and the person signing this Agreement on behalf of either party warrants that he/she has been duly authorized and empowered to enter into this Agreement.

PARTICIPATION ATTACHMENT TO THE
PROVIDER AGREEMENT**

This is a [REDACTED] Medicaid/CoverKids Participation Attachment ("Attachment") to the [REDACTED] Provider Agreement ("Agreement"), entered into by and between [REDACTED] and Provider and is incorporated into the Agreement.

**ARTICLE I
DEFINITIONS**

The following definitions shall apply to this Attachment. Terms not otherwise defined in this Attachment shall carry the meaning set forth in the Agreement.

All references to [REDACTED] under this Medicaid Participation Attachment shall mean and refer to [REDACTED] Tennessee, Inc.

"[REDACTED] Compensation Schedule" ("ACS") means the document(s) attached hereto and incorporated herein by reference, and which sets forth the [REDACTED] Rate(s) and compensation related terms for the Network(s) in which Provider participates. The ACS may include additional Provider obligations and specific [REDACTED] compensation related terms and requirements.

"Audit" means a review or audit of any and all obligations, requirements, records and information set forth in this Participation Attachment by the entities named herein.

"Clean Claim" means, unless otherwise required by applicable state Regulatory Requirements, an accurate and timely filed Claim submitted pursuant to this Attachment, that has no defect or impropriety, for which all information necessary to process such Claim and make a benefit determination is included. This includes but is not limited to, the claim being submitted in a nationally accepted format in compliance with standard coding guidelines, and which does not require adjustment, or alteration by Provider of the services in order to be processed and paid.

"Cloning of Medical Notes" means documentation is considered cloned when each entry in the medical record for a beneficiary is worded exactly like or similar to the previous entries. Cloned documentation does not meet Medical Necessity requirements for coverage of services rendered due to the lack of specific, individual information. All documentation in the medical record must be specific to the patient and her/his situation at the time of the encounter. Cloning of documentation is considered a misrepresentation of the Medical Necessity requirement for coverage of services. Identification of this type of documentation will lead to denial of services for lack of Medical Necessity and recoupment of all overpayments made.

"CoverKids" includes children under age 19 and Mothers of unborn eligible who do not qualify for [REDACTED] but meet the condition of the State Child Health Plan under Title XXI of the Social Security Act State Children's Health Insurance Program.

"Eligible" means, for purposes of this Attachment, any person certified by [REDACTED] as eligible to receive services and benefits under the [REDACTED] program or the CoverKids program.

"Ethical and Religious Directives (ERDs)" means a document that offers moral guidance on various aspects of health care delivery and is based on a religious organization's theological and moral teachings.

"Medicaid Covered Services" means, for purposes of this Attachment, only those Covered Services provided under [REDACTED] Medicaid Program(s), i.e., the package of health care services, including physical health, behavioral health, and long-term care services, that define the covered services available to [REDACTED] members.

"Medicaid Member" means, for purposes of this Attachment, a Member who is enrolled in [REDACTED] Medicaid Program(s) under [REDACTED]. For all purposes related to this Attachment, including all schedules, exhibits, provider manual(s), notices and communications related to this Attachment, the term "Medicaid Member" may be used interchangeably with the terms [REDACTED] Standard Enrollee, [REDACTED] Medicaid Enrollee, and the meaning of each is synonymous with any such other unless otherwise stated in this Attachment.

"Medicaid Program(s)" means, for purposes of this Attachment, a medical assistance program provided under a Health Benefit Plan approved under Title XVI, Title XIX and/or Title XXI of the Social Security Act or any other federal or state funded program or product as designated by [REDACTED]

"Medically Necessary/Medical Necessity" means:

- A. Those services that are recommended by a physician or other licensed healthcare provider practicing within the scope of the physician's license who is treating the Medicaid Member. A Medically Necessary Medicaid Covered Service must satisfy each of the following criteria:
- (i) It must be required in order to diagnose or treat a Medicaid Member's medical condition. The convenience of a Medicaid Member, a Medicaid Member's family, or a provider shall not be a factor or justification in determining that a medical item or service is Medically Necessary;
 - (ii) It must be safe and effective. To qualify as safe and effective, the type and level of medical item or service must be consistent with the symptoms or diagnosis and treatment of the particular medical condition, and the reasonably anticipated medical benefits of the item or service must outweigh the reasonably anticipated medical risks based on the Medicaid Member's condition and scientifically supported evidence;
 - (iii) It must be the least costly alternative course of diagnosis or treatment that is adequate for the medical condition of the Medicaid Member. When applied to medical items or services delivered in an inpatient setting, it further means that the medical item or service cannot be safely provided for the same or lesser cost to the person in an outpatient setting. Where there are less costly alternative courses of diagnosis or treatment, including less costly alternative settings that are adequate for the medical condition of the Medicaid Member, more costly alternative courses of diagnosis or treatment are not Medically Necessary. An alternative course of diagnosis or treatment may include observation, lifestyle or behavioral changes or, where appropriate, no treatment at all; and
 - (iv) It must not be experimental or investigational. A medical item or service is experimental or investigational if there is inadequate empirically-based objective clinical scientific evidence of its safety and effectiveness for the particular use in question. This standard is not satisfied by a provider's subjective clinical judgment on the safety and effectiveness of a medical item or service or by a reasonable medical or clinical hypothesis based on an extrapolation from use in another setting or from use in diagnosing or treating another condition such as:
 - (a) Use of a drug or biological product that has not been approved under a new drug application for marketing by the United States Food and Drug Administration (FDA) and is deemed experimental; or
 - (b) Use of a drug or biological product that has been approved for marketing by the FDA but is proposed to be used for other than the FDA-approved purpose. It will not be deemed Medically Necessary unless the use can be shown to be widespread, to be generally accepted by the professional medical community as an effective and proven treatment in the setting and for the condition for which it is used, and to satisfy the requirements of subdivisions (A)(i) – (A)(iii).
- B. It is the responsibility of the Medicaid Program ultimately to determine what medical items and services are Medically Necessary for the Medicaid Program. The fact that a provider has prescribed, recommended or approved a medical item or service does not, in itself, make such item or service Medically Necessary. Medical Necessity and Medically Necessary as used in the Agreement shall have the meaning contained in Tenn. Code Ann. 71-5-144, [REDACTED] Rule 1200-13-16, and other [REDACTED] rules, as applicable. In the case of enrollees under 21 years of age, services shall be provided in accordance with EPSDT requirements including federal regulations as described in 42 CFR Part 441, Subpart B, and the Omnibus Budget Reconciliation Act of 1989.

"State Agency," if used, means a federal, state or local agency, administration, board or other governing body with jurisdiction over the governance or administration of a Medicaid Program.

"Subcontract" means a contract to perform or assist, even if incidentally or in an auxiliary capacity, in the performance of all or part of the Provider's duties or obligations under the Agreement and/or this Attachment. An agreement

entered into by the Provider with any other organization or person who agrees to perform any administrative function or service for the Provider specifically related to securing or fulfilling the Provider's obligations to [REDACTED] under the terms of this Attachment when the intent of such an agreement is to delegate the responsibility for any major service or group of services required by this Attachment. This shall also include any and all agreements between any and all subcontractors for the purposes related to securing or fulfilling the Provider's obligations to [REDACTED] under the terms of this Attachment.

"Subcontractor" means an individual, agency, or organization that pursuant to a Subcontract performs or assists, even if incidentally or in an auxiliary capacity, in the performance of all or part of the Provider's duties or obligations under the Agreement and/or this Attachment. Any organization or person who provides any function or service for the Provider specifically related to securing or fulfilling the Provider's obligations to [REDACTED] under the terms of this Attachment. Subcontractor does not include Provider unless the Provider is responsible for services other than those that could be covered in a Provider Agreement.

"[REDACTED] or [REDACTED] Program" means the program administered by the single state agency, as designated by the state and CMS, pursuant to Title XIX of the Social Security Act and the Section 1115 research and demonstration waiver granted to the State of Tennessee and any successor programs. For purposes of the contract requirements herein, references to [REDACTED] or the [REDACTED] Program shall include CoverKids unless otherwise specified.

"[REDACTED] Kids" means the Early Periodic Screening, Diagnostic and Treatment ("EPSDT") program operated by [REDACTED]. The EPSDT service is Medicaid's comprehensive and preventive child health program for individuals under the age of 21.

2.1 Participation-Medicaid Network. As a participant in [REDACTED] Medicaid Network, Provider will render Medicaid Covered Services to Medicaid Members in accordance with the terms and conditions of the Agreement and this Attachment. Such Medicaid Covered Services provided shall be within the scope of Provider's licensure, expertise, and usual and customary range of services pursuant to the terms and conditions of the Agreement and this Attachment, and Provider shall be responsible to [REDACTED] for his/her/its performance hereunder. Except as set forth in this Attachment or the [REDACTED] Compensation Schedule ("ACS"), all terms and conditions of the Agreement will apply to Provider's participation in [REDACTED] Medicaid Network. The terms and conditions set forth in this Attachment are limited to the provision of and payment for Health Services provided to Medicaid Members.

Provider shall not discriminate in the acceptance of Medicaid Members for treatment, and shall provide to Medicaid Members the same access to services, including but not limited to, hours of operation, as Provider gives to all other patients. Provider shall furnish [REDACTED] with at least ninety (90) days prior written notice if Provider plans to close its practice to new patients or ceases to continue in Provider's current practice.

2.2.1 To the extent mandated by Regulatory Requirements, Provider shall ensure that Medicaid Members have access to twenty-four (24) hour-per-day, seven (7) day-per-week urgent and Emergency Services, as defined in the ACS.

2.2.2 Unless otherwise required under Regulatory Requirements, a PCP, as defined in the ACS, shall provide Covered Services or make arrangements for the provision of Covered Services to Medicaid Members on a twenty-four (24) hour-per-day, seven (7) day-per-week basis to assure availability, adequacy, and continuity of care to Medicaid Members. Claims against the State of Tennessee, or its employees, for injury, damages, expenses or attorney's fees are heard and determined by the Tennessee Claims Commission or the Tennessee Board of Claims in the manner prescribed by law. See Tenn. Code Ann. §§ 8-42-101 et seq., 9-8-101 et seq., 9-8-301 et seq., and 9-8-410 et seq. Provider as a governmental entity is not required to provide workers compensation insurance. It does, however, provide a fully funded injured on duty benefit program for its employees.
- 5.31.2 If the Provider is a local government owned and operated: The Provider, being a Tennessee local governmental entity (such as a county or municipality), is governed by the provisions of the Tennessee Government Tort Liability Act, Tennessee Code Annotated, Sections 29-20-101 et seq., for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly. Provider as a governmental entity is not required to provide workers compensation insurance. If the Provider does not maintain workers compensation insurance it does, however, provide a fully funded injured on duty benefit program for its employees.

As an employee under the PHS, Provider carries no professional liability insurance; however, it is insured for general liability. This general liability insurance is for the benefit of the Provider only and provides no indemnification for any other entity whatsoever. The Provider agrees to produce proof of adequate professional liability insurance for the Provider's professional employees who perform any professional services under this Agreement and are not covered by the Federal Tort Claims Act. To the extent required by Regulatory Requirements, Provider shall maintain workers' compensation insurance for Provider's employees. In the event that Provider loses its status as an "employee" pursuant to Section 224(g) of the PHS, Provider shall maintain professional liability insurance, including maintaining such tail or prior acts coverage necessary to avoid any gap in coverage for claims arising from incidents occurring during the term of this Agreement. Such insurance shall (i) be obtained from a carrier authorized to issue coverage in the jurisdiction in which Provider operates, except for permitted self-insurance; and (ii) maintain minimum policy limits equal to \$1,000,000.00 per occurrence and

\$3,000,000.00 in the aggregate, or such other coverage amounts as prescribed by applicable Regulatory Requirements and consented to by [REDACTED] Provider shall maintain general liability insurance covering Provider's premises, insuring Provider against any claim of loss, liability, or damage caused by or arising out of the condition or alleged condition of said premises, or the furniture, fixtures, appliances, or equipment located therein, and if Provider operates motor vehicles in connection with Provider's services, with liability protection against any loss, liability or damage resulting from the operation of such motor vehicles by Provider, Provider's employees or agents. Such general liability insurance shall contain commercially reasonable coverage limits, or such limits as prescribed by Regulatory Requirements.

If a Government Contract between [REDACTED] and [REDACTED] terminates, expires or ends for any reason or is modified to eliminate a Medicaid Program, this Attachment shall have no further force or effect with respect to the applicable Medicaid Program. In the event of said termination, Provider shall immediately make available to [REDACTED] or its designees, in a usable form, any or all records, whether medical or financial, related to Provider's activities undertaken pursuant to the Government Contract. The provision of such records shall be at no expense to [REDACTED] or its designees.

Notwithstanding the Amendment provision in the Agreement, this Attachment shall be automatically modified to conform to required changes to Regulatory Requirements related to Medicaid Programs without the necessity of executing written amendments. TennCare reserves the right to direct [REDACTED] to terminate or modify this Attachment when [REDACTED] determines it to be in the best interest of the State of Tennessee.
- 7.2 Inconsistencies. In the event of an inconsistency between terms and conditions of this Attachment and the terms and conditions as set forth in the Agreement, the terms and conditions of this Attachment shall govern. Except as set otherwise forth herein, all other terms and conditions of the Agreement remain in full force and effect.

- 7.4 Subcontracting Requirements. In addition to the Use of Subcontractors provision in the Agreement, Provider shall obtain written approval from [REDACTED] prior to execution of all Subcontracts for the provision of services to [REDACTED] Medicaid Members, subject to [REDACTED] submission and receipt of approval of such Subcontracts by the Tennessee Department of Commerce and Insurance. The word "subcontract" here has its usual legal meaning not the definition used in the CRA. Failure by Provider to obtain written approval from [REDACTED] for a Subcontract may lead to the contract being declared null and void by [REDACTED]. Claims submitted by the Subcontractor or by Provider for services furnished by the unapproved

subcontractor are considered to be improper payments and may be considered false claims. Any such improper payments may be subject to action under federal and state false claims statutes or be subject to be recouped by [REDACTED] and/or [REDACTED] as overpayment.

- 7.5 Survival of Attachment. Provider further agrees that: (1) the hold harmless and continuation of care sections shall survive the termination of this Attachment or disenrollment of the Medicaid Member; and (2) these provisions supersede any oral or written contrary agreement now existing or hereafter entered into between Provider and a Medicaid Member or persons acting on their behalf that relates to liability for payment for, or continuation of, Medicaid Covered Services provided under the terms and conditions of these provisions.

[REDACTED] may revoke this delegation, including, if applicable, the delegated responsibility to meet CMS reporting requirements, and thereby terminate this Attachment if CMS or [REDACTED] determine that Provider has not performed satisfactorily. Such revocation shall be consistent with the termination provisions of the Agreement and this Attachment. If Provider is unable to provide Health Services as described in the previous sentence, Provider will arrange for another Participating Provider to cover Provider's patients in Provider's absence.

ARTICLE V BENEFICIARY PROTECTIONS

- 5.7 Continuation of Care-Insolvency. Provider agrees that in the event of [REDACTED] insolvency, termination of the CMS contract or other cessation of operations, MA Covered Services to MA Members will continue through the period for which the premium has been paid to [REDACTED] and services to MA Members confined in an inpatient hospital on the date of termination of the CMS contract or on the date of insolvency or other cessation of operations will continue until their discharge.
- 5.8 Out of Network Referrals and Transfers. For [REDACTED] HMO Medicare Advantage Network, if a Participating Provider is not accessible or available for a referral or transfer, then Provider shall call [REDACTED] for an authorization. If, however, a Participating Provider is accessible and available for a referral or transfer, then Provider shall transfer or refer the MA Member to such Participating Provider. For [REDACTED] PPO MA Members, Provider shall advise the MA Member that an out of network referral is being made, and shall ensure that the MA Member understands and agrees to be financially responsible for any additional costs related to such out of network service.

Provider is also required to comply with all other medical record requests from [REDACTED] for other governmental (e.g., CMS, Office of

Inspector General (OIG)) and/or [REDACTED] documentation and coding review and audit activities. Accordingly, [REDACTED] or its designee, shall have the right, as set forth in section 3.4 of the Agreement to obtain copies of such documentation on at least an annual basis or otherwise as [REDACTED] may reasonably require. Provider agrees to provide copies of the requested medical records to [REDACTED] or its designee, within fourteen (14) calendar days from Amerigroup's, or its designee's, and/or any Agency's written request, unless sooner required by CMS or such other Agency. Such records shall be provided to [REDACTED] or its designee, or a governmental agency, at no additional cost to [REDACTED] its designee or such Agency. Provider also agrees to participate in education and/or remediation, as required by [REDACTED] based on the outcome of any documentation and coding reviews and/or audits.

- 7.2 Data Reporting Requirements. Provider shall provide to [REDACTED] all information necessary for or requested by [REDACTED] to enable [REDACTED] to meet its data reporting and submission obligations to CMS, including but not limited to, data necessary to characterize the context and purpose of each encounter between a MA Member and the Provider ("Risk Adjustment Data"), and data necessary for or requested by [REDACTED] to enable [REDACTED] to meet its reporting obligations under 42 CFR §§ 422.516 and 422.310 or under any subsequent or additional regulatory provisions or CMS guidance. In accordance with CMS Regulatory Requirements, [REDACTED] reserves the right to assess Provider for any penalties resulting from Provider's submission of false data.

- 7.3 Risk Adjustment Data Submission. Provider shall submit all diagnosis data generated in connection with this Agreement by way of filing a Claim with [REDACTED]. Where Provider identifies supplemental diagnosis data through retrospective medical chart review or other processes, Provider shall file an amended Claim containing the supplemental diagnosis data. If an amended Claim cannot be filed and Provider wants to submit supplemental diagnosis data, then Provider shall ensure that a Claim (i.e., the associated encounter data record) has already been submitted for the original MA Member/Provider encounter. This Claim must be (i) from the same date of service, (ii) having the same Provider identification number, (iii) with the same MA Member information, and (iv) containing the same procedural information as the supplemental data identified through the retrospective medical chart review or other processes. [REDACTED] requires submission of the original Claim prior to the submission of supplemental data to ensure the two (2) can be linked.

Supplemental diagnosis data shall be submitted in a format specified by [REDACTED]. If Provider reasonably determines that a Provider is unable to meet these requirements, then Provider must inform [REDACTED] within a reasonable time, but no later than thirty (30) days after receiving knowledge, actual or constructive of such inability, and [REDACTED] shall have the right to validate the data by auditing medical records and/or data generation processes, or by requesting additional data and/or documentation from Provider to confirm the acceptability of the data. For purposes of clarity, Provider shall cooperate with any such requests by [REDACTED] or on [REDACTED] behalf, as set forth in this Agreement. If Provider identifies data corrections (e.g., prior data submissions not supported in the medical record), then Provider shall promptly inform [REDACTED] and submit data corrections to [REDACTED] in a format specified by [REDACTED] as soon as reasonably possible, but in no event later than thirty (30) days after identifying.

- 7.4 Risk Adjustment Data. Provider's Risk Adjustment Data shall include all information necessary for or requested by [REDACTED] to enable [REDACTED] to submit such data to CMS as set forth in 42 CFR § 422.310 or any subsequent or additional regulatory provisions or CMS guidance. If Provider fails to submit accurate, complete, and truthful Risk Adjustment Data in the format described in 42 CFR § 422.310 or any subsequent or additional regulatory provisions or CMS guidance, then this may result in denials and/or delays in payment of Provider's Claims. [REDACTED] will make best efforts to work with Provider to resolve Risk Adjustment Data format and/or processing issues.
- 7.5 Accuracy of Risk Adjustment Data. Risk Adjustment Data submitted by Provider must be accurate, complete, and truthful. By submitting Risk Adjustment Data to [REDACTED] Provider is certifying and attesting to the accuracy, completeness, and truthfulness of such Risk Adjustment Data. Provider shall report all Health Services in accordance with the Coded Service Identifier(s) reporting guidelines and instructions using HIPAA compliant billing codes. In addition, [REDACTED] shall not pay any Claim(s) nor accept any Encounter Data submitted using non-compliant codes. [REDACTED] audits that result in identification of Health Services that are not reported in accordance with the Coded Service Identifier(s) guidelines and instructions, will be subject to recovery through remittance adjustment or other recovery action as may be set forth in the provider manual(s).

Claim Submissions for Pharmaceuticals. Each Claim submitted for a pharmaceutical product must include standard Coded Service Identifier(s), a National Drug Code ("NDC") number of the covered medication, a description of the product, and dosage and units administered. Unless otherwise required under Regulatory Requirements, ██████ shall not reimburse for any pharmaceuticals that are not administered to the Member and/or deemed contaminated and/or considered waste.

Coding Updates. Coded Service Identifier(s) used to define specific rates are updated from time to time to reflect new, deleted or replacement codes. ██████ shall use commercially reasonable efforts to update all applicable Coded Service Identifiers within sixty (60) days of release by CMS or other applicable authority. When billing codes are updated, Provider is required to use appropriate replacement codes for Claims for Covered Services, regardless of whether this Agreement has been amended to reflect changes to standard billing codes. If Provider bills a revised code prior to the effective date of the revised code, the Claim will be rejected or denied and Provider shall resubmit Claim with correct code. In addition, Claims with codes which have been deleted will be rejected or denied.

Coding Software. Updates to ██████ Claims processing filters, code editing software, pricers, and any edits related thereto, as a result of changes in Coded Service Identifier(s) reporting guidelines and instructions, shall take place automatically and do not require any notice, disclosure or amendment to Provider. ██████ reserves the right to use a code editing software as reasonably required by ██████ to ensure Claims adjudication in accordance with industry standards, including, but not limited to, determining which services are considered part of, incidental to, or inclusive of the primary procedure and ensuring medically appropriate age, gender, diagnosis, frequency, and units billed.

Modifiers. All appropriate modifiers must be submitted in accordance with Regulatory Requirements, industry standard billing guidelines and Policies. If appropriate modifiers are not submitted, Claims may be rejected or denied.

New/Expanded Service or New/Expanded Technology. In accordance with the Scope/Change in Status section of the Agreement, as of the Effective Date of this Agreement, any New/Expanded Service or New/Expanded Technology (defined below) is not reimbursable under this Agreement. Notwithstanding the foregoing, Provider may submit the following documentation to ██████ at least sixty (60) days prior to the implementation of any New/Expanded Service or New/Expanded Technology for consideration as a reimbursable service: (1) a description of the New/Expanded Service or New/Expanded Technology; (2) Provider's proposed charge for the New/Expanded Service or New/Expanded Technology; (3) such other reasonable data and information required by ██████ to evaluate the New/Expanded Service or New/Expanded Technology. In addition, ██████ may also need to obtain approval from applicable Agency prior to ██████ making determination that New/Expanded Service or New/Expanded Technology can be considered a reimbursable service. If ██████ agrees that the New/Expanded Service or New/Expanded Technology may be reimbursable under this Agreement, then ██████ shall notify Provider, and both parties agree to negotiate in good faith, a new ██████ Rate for the New/Expanded Service or New/Expanded Technology within sixty (60) days of ██████ notice to Provider. In such situations, such Non-Priced Code shall be reimbursed at a rate established by ██████ for such Covered Service. Provider shall be solely responsible to pay subcontractors for any Health Services, and shall via written contract, contractually prohibit such subcontractors from billing, collecting or attempting to collect from [REDACTED] or Members. Notwithstanding the foregoing, if [REDACTED] has a direct contract with the subcontractor, the direct contract shall prevail over this Agreement and the subcontractor shall bill [REDACTED] under the direct contract for any subcontracted services, with the exception of nursing services provided for Home Infusion Therapy, or unless otherwise agreed to by the parties.

The [REDACTED] Rates in this Agreement include all sales and use taxes and other taxes on Provider revenue, gross earnings, profits, income and other taxes, charges or assessments of any nature whatsoever (together with any related interest or penalties) now or hereafter imposed against or collectible by Provider with respect to Covered Services, unless otherwise required by Agency pursuant to Regulatory Requirements. Neither Provider nor [REDACTED] shall add any amount to or deduct any amount from the [REDACTED] Rates, whether on account of taxes, assessments, tax penalties or tax exemptions.

Updates to [REDACTED] Rate(s) Based on External Sources. Unless otherwise required by Regulatory Requirements, and notwithstanding any proprietary fee schedule(s)/rate(s)/methodologies, [REDACTED] shall use commercially reasonable efforts to update the [REDACTED] Rate(s) based on External Sources, which include but are not limited to, i) CMS Medicare fee schedule(s)/rate(s)/methodologies; ii) Medicaid or State Agency fee schedule(s)/rate(s)/methodologies; iii) vendor fee schedule(s)/rate(s)/methodologies; or iv) any other entity's published fee schedule(s)/rate(s)/methodologies (collectively "External Sources") no later than sixty (60) days after [REDACTED] receipt of the final fee schedule(s)/rate(s)/methodologies change from such External Sources, or on the effective date of such final fee schedule(s)/rate(s)/methodologies change, whichever is later. The effective date of such final fee schedule(s)/rate(s)/methodologies change shall be the effective date of the change as published by External Sources. Fee schedule(s)/rate(s)/methodologies will be applied on a prospective basis. Claims processed prior to the implementation of the new [REDACTED] Rate(s) in [REDACTED] payment system shall not be reprocessed, however, if reprocessing is required by Regulatory Requirements, and such reprocessing could result in a potential under and/or over payment to a Provider, then [REDACTED] may reconcile the Claim adjustments to determine the remaining amount Provider owes [REDACTED] or that [REDACTED] owes to Provider. Any resultant overpayment recoveries (i.e. Provider owes [REDACTED] shall occur automatically without advance notification to Provider. Unless otherwise required by Regulatory Requirements, [REDACTED] shall not be responsible for interest payments that may be the result of a late notification by External Sources to [REDACTED] of fee schedule(s)/rate(s)/methodologies change.

For Covered Services furnished by or on behalf of Provider for a Member enrolled in a Medicare Advantage Network, Provider agrees to accept an amount that is the lesser of Eligible Charges or the [REDACTED] Medicare Advantage Rate, minus applicable Cost Shares, and modified before payment as described below. Provider agrees that this amount, plus applicable Cost Shares, is full compensation for Covered Services.

The "[REDACTED] Medicare Advantage Rate" is the amount calculated based on the rate or methodology stated below for each service, adjusted as described in the notes, and multiplied by the stated percentages, if applicable.

For [REDACTED] Hospitals, Method II billing shall not apply even if Provider is a [REDACTED] Hospital Method II biller in Medicare. Consequently, a [REDACTED] Hospital shall not bill for professional services furnished in an outpatient department on its Claim. Provider and Plan acknowledge that these services shall be separately billed and compensated through separate professional agreements.

When determining the amount payable to Provider, any reimbursement terms in this Agreement that are based, in whole or in part, on Medicare rates, pricing, fee schedules, or methodologies published or established by CMS, shall refer to the per claim payment amounts that CMS and a Medicare beneficiary would directly pay to Provider for the same items or services under original Medicare Part A or Part B. The amount payable to Provider shall not include any bonus payment or settlement amount paid to Provider by CMS outside of the Medicare per claim payment process, unless otherwise set forth in the Medicare Advantage reimbursement terms of this Agreement. Unless [REDACTED] notifies Provider otherwise, in the event CMS changes payment to Provider due to a CMS directive, Act of Congress, Executive Order, other governmental pronouncement, or Regulatory Requirement, the amount payable to Provider hereunder will automatically be changed as soon as reasonably practicable, as described herein, in the amount specified by CMS as a result of such directive or change in law, or in the absence of such specification, in the same percentage amount as payment is changed by CMS to Provider.

[REDACTED] shall not compensate Provider for the bad debts of its Medicare Advantage members.

[REDACTED] and Provider shall consider Medicare interim amounts, including but not limited to, indirect medical education, disproportionate share, outliers, per diems, percent of charge, and all-inclusive rates, as final and [REDACTED] shall not adjust Provider's compensation through a settlement, even if Medicare adjusts its compensation to Provider based on a settlement.

[REDACTED] shall compensate Provider using the relevant payment system logic and data (for example: calculations, payment groupings, or federal and provider-specific factors) that are available in [REDACTED] systems at the time [REDACTED] processes the Provider's Claim. [REDACTED] shall not retroactively adjust Provider's compensation for previously processed Claims to reconcile any difference with the payment system logic and data being used by Medicare on the same processing date for the same date of service. In addition, [REDACTED] shall not retroactively adjust Provider's compensation for previously processed claims to reflect Medicare's retroactive updates or changes to payment system logic and data. Provider shall not request adjustments solely based on these differences, updates, or changes.
